# fjb hotels

**FJB Hotels is a group comprising of the four prestigious and well-known hotels in the local area:**

**The Haven**, Sandbanks, Poole

**The Sandbanks**, Sandbanks, Poole

**The Chine**, Boscombe, Bournemouth

**Harbour Heights**, Sandbanks, Poole

o@tes started work for the FJB Hotel Group in 1988, commencing with a small refurbishment project.

Due to their expertise and high levels of service, o@tes relationship with FJB Hotels has grown over the years, with the successful development of our client. They have entrusted us with numerous major and prestigious contracts, including:

- Harbour Heights Hotel:** Architectural, technical design and complete “turn key” construction of this high quality 4 star hotel.
- The Haven Hotel:** Complete and repeated refurbishment of the bedrooms, leisure centre, ground floor, and exterior of this leading 4 star hotel.
- The Chine:** Bedroom, leisure centre and ballroom refurbishments.
- The Sandbanks:** Complete and repeated high quality refurbishment of the hotel. Including construction of the Sands Brasserie Restaurant and the external terrace area of this high quality 4 star hotel, which has direct access to Sandbanks blue flag beach.

As a part of o@tes service to FJB Hotels, they deal with the local authorities regarding planning and building regulations on their client’s behalf. o@tes work closely with FJB Hotels’ appointed interior designers, producing all the drawings required for the refurbishment work with the group.

o@tes maintenance department are also employed by FJB Hotels to carry out all on-site maintenance, including fire safety, a programme of preventative maintenance and emergency call outs.

Their long-standing relationship with the FJB Hotels group has helped it to maintain its unprecedented reputation for offering some of the *finest* hotels with the *finest* service within the hotel industry.
